## OLD-TIME STARS IN GREAT GAME

University Club Defeats Alta Club Players After Some Brilliant Work.

BRANSFORD AND SPRY START AS BATTERY

Society Leaders and Automobiles Figure in Afternoon's Soiree.

The championship of Brigham street went to the University club Saturday afternoon, after a thrilling game in which society leaders, automobiles, country club caddies, old and new baseball stars and a lot of rain figured. The score of 17 to 13 is an indication of the brilliant playing, both at the bat and in the field, throughout the entire game.

Major John S. Bransford went into the box for the Alta club at the opening of the game, and Governor William Spry behind the bat. The first ball over the plate was struck by Roberts, the University club catcher, and took its course directly into an automobile headlight belonging to L. M. Bailey. Following the incident set by Mr. Roberts, the players continued to bombard the circle of automobiles surrounding the diamond.

At this style of play, Dr. C. G. Plummer easily excelled. With unerring skill he carried at least a dozen fouls off the tops of the automobiles.

The baseball stars of yesterday who were on both teams demonstrated that they could "come back." All of them played with all of their old-time brilliancy. The baseballs which went over the fence whenever a foul was hit, however, did not "come back." A score of new baseballs, purchased for the occasion, were used up before the game was over, and a score of youngsters who pursued the fleeing spheres were very happy, and they escaped with the missing balls.

**Dr. Plummer Stars.**  
Dr. C. G. Plummer, who occupied the initial sack for the University club, was easily one of the stars of the game. Before the game had progressed long, the youngsters in the bleachers had christened him "Devonovich." It was Dr. Plummer who started the mischief in the second inning, when he pitched a long three-bagger. His consistent hitting throughout the game was a factor in the victory for the University club.

The University club secured fifteen hits during the game, but did not make the showing on the bases that the Alta club did. With only four hits to their credit, the members of the Alta club encircled the bases for a total of thirteen runs.

After the disastrous position, the Alta club threw the official battery of the Alta club was removed and Ames and Salisbury substituted. The work of this battery was so good that the University club openly charged that this battery had been borrowed from the Occidentals for the occasion. Dad Conville, for the University club, struck out fourteen men, but every time an Alta man got on base he romped around to home.

At the beginning of the ninth inning the score was tied, 13 to 13, and the bleachers went wild. McCaskel, the first man up for the University club, in the ninth inning, beat out a fast ground ball to first and the millionaires took courage. Their hopes were short lived, however, for Porter, University club shortstop, nailed a liner and doubled McCaskel out at second.

Dr. Plummer ended all of the Alta club's hopes by smothering a line drive. The University club pounded out four runs in their half of the ninth.

## On Way Around the World

LOUIS HESS AND HARRY SMITH.

Two young Denver newspaper men, Louis P. Hess and Harry T. Smith, are in Salt Lake on a tour around the world for the Denver News. The boys have started out to earn their own way around the world and to complete their trip in eighteen months. They left Denver July 25 and are keeping up with their schedule. The boys will remain in Salt Lake for two weeks in order to earn enough to take them to San Francisco. From San Francisco they will go to Yokohama, thence to Hongkong and on around the world. They expect to go to the uplands of Tibet on the trip, a distinction which no white man has ever achieved to date. They are traveling first-class and enjoying the trip immensely. They expect to complete the trip well within the time limit.

They took first honors in the prime event of the closing day of the thirty-eighth annual regatta of the National Association of Amateur Oarsmen.

Scarcely less important in the eyes of the aquatic world was the victory of William Mehrhof of the New York Nassaus, in the senior single sculls. His victory over Fred Shepherd of the Harleins of New York was measured by one second for the entire mile and a quarter course. The race of the senior eights was an international event.

Two Canadian crews, the Ottawas and the Argonauts of Toronto were entered for the north and the Potomacs of Washington, the Vespers of Philadelphia and the New York Athletics for the states. The American oarsmen were no match for their rivals from across the border.

The Arundels won the senior four-oared sculls with ease, the real contest being between the two St. Louis clubs, the Mount City and the Central clubs. The Central exhausted themselves in the early stages of the race and were overtaken by the Mount City at the conclusion of the race.

At the conclusion of the regatta the judge held a special for senior four-oared sculls in the international yesterday, won by the Arundels of Baltimore, the Mount City crew protested because their boat swamped as the result of a conclusion on a false start.

## OTTAWA OARSMEN ARE AMERICAN CHAMPIONS

Canadians Secure Title in National Regatta for the Amateurs at Washington.

By Associated Press.  
WASHINGTON, Aug. 13.—Winners a week ago of the senior eight-oared championship of Canada, the same eight Ottawas from Ottawa City today won the championship of all North America.

**Another World's Mark Is Set at Grand Circuit Races at Cleveland.**

By Associated Press.  
CLEVELAND, O., Aug. 13.—Another world's record was broken at the Grand Circuit races at North Randall park today. The Harvester, driven by Ed Geers, won the two heats of the 2:06 trot in 2:04 and 2:03, respectively, making the two fastest heats ever trotted in a race by a stallion. Incidentally, The Harvester clipped one second off his own record, equaled the stallion trotting record made by Cresceus at the Brighton Beach track in 1902, and set a new mark for 5-year-old trotting stallions in a race in the second heat.

The stallion had such a big lead over Sonoma Girl, Wilkesheart and Ora that Geers did not extend him in the stretch. Had he done so, The Harvester would have eclipsed Cresceus's record of 2:04, made against time at Columbus in 1902, which still stands as the stallion trotting record.

The final heat of the 2:17 trot, unfinished from yesterday, developed a pretty fight between Dovel and Butterbrook, each of whom had won two heats, until the three-quarter mile when Butterbrook broke and Dovel won without trouble.

On instructions from Governor Harrison Sheriff A. J. Hirsutius and a group of deputies raided the betting shed shortly after the races began. As far as making arrests was concerned, the raid was ineffective, as the tip had been given and the bookies disappeared.

Utters, however, had not been warned and the sheriff found them standing patiently in long lines before the betting stand. Protesting feebly, they were hustled out of the shed. A number of these disappointed bettors spent a fruitless hour hunting for the bookies with whom they made their wagers.

Summary: 2:12 pace, three in five—Peter Pan, won; Colonel Forest, second; Sunny Jim, third. Best time, 2:05.  
2:30 trot, a sweepstake, \$1000 added, two in three—The Harvester, won; Sonoma Girl, second; Mat Wilkesheart, third. Best time, 2:03.  
Free-for-all pace, \$500 added, two in three—Rosa K. won; Ducky, second; Allen Wilson, third. Best time, 2:02.  
2:17 trot, purse \$1000, three in five, concluded from yesterday—Dovel, won; Butterbrook, second; Pearl Pauline, third. Best time, 2:03.  
2:10 trot, purse \$1000, two in three—Remond, won; Miss Baritone, second; Albia, third. Best time, 2:08.
